Automation Software for Trade Unions

Customize Data Grids

UnionVision manages your data using Customizable Data Grids. It's your data, so you should be able to fully customize how it's displayed. Advanced Data Grids allow you to display, sort, re-size, export and print your data the way you like it. Data Grids are a powerful tool helping you to visualize and manage your data fast and efficiently. Customize and save your preferences.

- Member, Contractor, Sister Local, Out of Work List, and Stabs Data Grids
- Your Data Grid customization is mirrored on your reports and export functions
- Custom Filters and Queries may be applied to your Data Grids
